1. Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2022-23 was £8.82 per elector.

Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2023 of **Dwyriv Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and accordance with the requirements of the Public Audit (Wales) Act 2004 and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis for qualification

Accounting Statement

In my opinion, the Accounting Statement does not properly/fairly present the Council's receipts and payments/income and expenditure and financial position:

- The Council has overstated its staff costs by including £800 paid for grass cutting services and have therefore understated its reported total other payments. The closing balances are unaffected.

Annual Governance Statement

In my opinion, the Annual Governance Statement is not consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 3: The Council does not publish on its website the information it is required to publish electronically by the Local Government (Democracy) (Wales) Act 2013 and the Local Government and Elections (Wales) Act 2021. The Council does not have a functioning website.
- Assertion 3: Compliance with relevant laws and regulations. The Council has not provided evidence that a budget has been set in accordance with the Local Government Finance Act 1992 and that the precept has been set in line with the budget. The Act requires the Council to take into account its level of

reserves when setting its budget requirement. We recommend that the Council sets a budget in accordance with the relevant regulations and codes of practice.

- Assertion 3: S.1 of the Employment Rights Act 1996 (ERA1996), requires the Council to provide its Clerk with a written contract or a written statement of the specified terms of employment under within two months of starting employment. As part of the audit, we sought evidence that the Council had complied with section 1 of ERA 1996. We are satisfied that the Council properly appointed the Clerk and has agreed the salary. However, we are unable to establish if the Clerk has been provided with full terms of employment. In order to ensure clarity of the terms and conditions of employment we recommend that the Council and the Clerk prepare and sign a contract of employment at the earliest opportunity.

Arrangements to secure economy, efficiency and effectiveness in use of resources

In my opinion the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources

- The Council's financial regulations and standing orders are not based on the One Voice Wales/NALC model. It is recommended that the Council updates their financial regulations and standing orders to ensure they cover the minimum legal requirements and reflect best practice.

Other matters and recommendations

There are no further matters I wish to draw to the Council's attention.
